Brant Farmers Meet

Gov't Reviewing Decision On Colony Application

The provincial government's decision — late in April — that the Rock Lake Hutterian Brethren of Wrentham would not be allowed to purchase lands in the Brant district for the establishment of a new colony is not necessarily final; the case is now being reviewed and the government could reverse its decision and allow the sale of lands and the establishment of the Hutterite colony.

This information, re-opening a Hutterite colony application that had apparently been definitely turned down, led to the calling of a public meeting at Brant on Thursday evening, May 28, to consider what further action should be taken by residents of the little farming community in the light of the new developments.

Despite an evident strong feeling in favor of such action as a mass cavalcade of district residents to Edmonton to bring objections to the proposed colony directly to the attention of the premier, the more than 70 farmers and their wives at the meeting accepted the counsel of Ray Speaker, MLA, that a delegation should be appointed to present the Brant community's case to the provincial cabinet.

It was felt that a government team which recently visited the Brant area, calling at 12 homes, had misrepresented the feelings of the community. Farmers interviewed had not voiced objections to Hutterites as individuals or to the thought that Hutterite children might possibly attend the

Brant school, and the interpretation given by the survey team to such answers was that there was no widespread objection to the establishment of a Hutterite colony. Such a misleading report could influence the cabinet enough to have the case re-opened, and it was felt by many at the meeting that this has had a definite bearing on the situation.

The opinion was also voiced that strong pressure was apparently being brought to bear on the government to reverse its decision on the application, as the Brant community's stand on the matter had already been presented to the Municipal Property Control Board by way of a delegation supported by hundreds of briefs and letters, and now it seemed necessary to send a delegation directly to the cabinet to again present the community's objections to the proposed establishment of a new Hutterite colony.

MLA Ray Speaker assured the meeting that the community had his full support in its stand on this matter and that he would arrange for the new delegation to be heard by as many members of the cabinet as possible.

Named as members of the delegation were Mrs. P. Gallagher, Mrs. J. S. Dixon, Mrs. Phyllis MacDonald, Robert S. Irwin, Harold Bride, J. S. Dixon and E. W. Prater.

R.C.R. Munro acted as chairman of the meeting and D. H. Galbraith as secretary.

Brownie Packs Gather At High River

A gigantic Fairy Ring thrilled 91 Brownies who took part in the second Brownie Revel at High River Memorial Park on Saturday, May 30.

Fifteen Brown Guiders representing Arrowwood, Champion, Lomond, Nanton, High River and Vulcan led the Brownies in very entertaining afternoon. Wild animals was the theme of the Revel. Brownies changed into Beavers, Zebras, Elephants, Lions, Bears, Deer and Wolves. Commissioner Hayes was given the Grande Howl Salute.

The Brownies and their families enjoyed picnic suppers to bring their day to a close.

Lionettes Tour New Lodge

The regular meeting of the Vulcan Lionettes was held May 25 with 19 members and two guests in attendance.

The members met at the Peter Dawson Lodge at 6:30 p.m. and were conducted on a much enjoyed tour of the new home by Mrs. Helgeson.

A banquet supper followed in the basement of St. Andrew's Church served by the CWL. Guest speaker, Mrs. Helgeson, outlined the needs for the new lodge and stressed the importance of entertainment by the local organizations. Much discussion followed concerning the contributions the Lionettes could offer.

A donation was also approved to the swimming pool fund of the Vulcan Lions Club.

The election of officers for the new year resulted as follows: President, Ruth Richardson; 1st vice-president, Gerry Snow; 2nd vice-president, Rose Munro; 3rd vice-president, Ina Ohler; secretary-treasurer, Helen Giles; Liontamer, Lillian Deal, assisted by Laura Houlton; Tailtwisters, Betty Roebuck and Grace Dahl; Directors (2nd year) Lil Klippert and Ruth Dann.

Missionary Is Guest Speaker

Dr. Andrew Gih will be the guest speaker at a special missionary service in the Vulcan EUB Church on June 12th at 7:30 p.m.

Dr. Gih, the son of a Confucian scholar, was converted to Christianity and entered full time Christian service in 1925. Dr. Gih is the founder and president of a missionary organization known as "Evangelize China" Fellowship which was organized in 1947. In recent years Dr. Gih has written several books, and has traveled extensively in the Orient, Europe and North America.

Since missionaries have been forced out of Mainland China Dr. Gih and his co-workers are seeking to reach the 25,000,000 Chinese that live outside of the Mainland of China.

"Evangelize China" Fellowship now has work established in Shanghai, Hangchow, Formosa, Hong Kong, Moscow, Singapore, Indonesia and Johore, Malaya. It maintains eight churches, a Bible College, a Bible Institute, a Christian High School, two orphanages, a radio ministry, Evangelistic bands and a publication department.

Tillage Equipment Field Day Monday, June 8

Sponsored by the Vulcan County Agricultural Service Board, a Tillage Machinery Field Day will be held at the Art Cutoff farm, three miles north of Vulcan on Highway 23, at 1:30 p.m. on Monday, June 8.

The proper setting and use of different tillage machines will be demonstrated by Department of Agriculture engineers, who will also be available to answer questions.

The demonstrations and the information made available at the field day are expected to be of great value to farmers of this area and should provide answers to some of the tillage problems that have arisen in recent years. All farmers are invited to attend.

On Again . . . Off Again

Comm. Centre Coming To Vulcan

A sudden bid reversal at Calgary about two weeks ago has brought ownership of the Calgary Meadowlark Park curling rink into the hands of the Vulcan District Recreation Centre. The Centre committee had been unsuccessfully negotiating its purchase for use as a community centre for Vulcan.

Dismantling of the building began Monday of this week to meet a June 15 clearing deadline at Calgary and the first truckload of parts was stacked on the Armouries block Tuesday.

At a luncheon meeting here Tuesday noon, agreement for purchase of the building was concluded with the payment of the first instalment of \$10,000 to Bill Wearmouth of Bill Wearmouth Holdings Ltd., owners of the rink. The rink was purchased by the Recreation Centre for \$30,000 (dismantled and delivered). Cost of its rebuilding is set at roughly \$55,000. The Wearmouth company is also greatly interested in this rebuilding contract.

Originally the highest bid for the rink was a city firm, Industrial Builders, but they subsequently failed to appear before Oxford Leaseholds, then owners, to confirm purchase so the option fell to next highest bidder which was Bill Wearmouth Holdings. Vulcan's bid was \$7,000. Oxford Leasehold is negotiating the building of a shopping centre on an area of land on which the Meadowlark rink is located. The Meadowlark Curling Club had five days after May 25 in which to reclaim the building and on Friday of last week the time limit expired. It was for this reason that the Recreation Centre kept news of this development within the directorate. In addition to the controversy earlier this year on possible renovation of the old arena in town, this new proposal had been so filled with assurances of purchase and retractions and unavoidable delays that it was felt advisable to withhold word of current discussions until the building was definitely available to Vulcan. The Wearmouth company required immediate assurance that the Recreation Centre would purchase the building before it would proceed with its purchase.

Decision to consider this building was made early this spring and was definitely confirmed following a vote of approval given at a public meeting in March on this matter.

The material for the building will be stored on the Armouries block until fall when it is expected work will commence on reconstruction.

At present, negotiations are underway between the Town of Vulcan and the Department of National Defence to have title to the west 175 feet of the Armouries block returned to the town. This transfer has been cleared through its most important channels and it is expected its completion is only a matter of time.

Mrs. Mary Boose Celebrates 90th Birthday

On May 23, open house was held both afternoon and evening at the home of Mrs. Mary Boose, Vulcan, on the occasion of her 90th birthday. More than 80 guests called to offer their congratulations.

As well as friends from the Vulcan district visitors from Calgary, Spokane, Grande Prairie, Lethbridge, Minnesota and Santa Clara, Calif. were present. Cards were received from White Rock, B.C. to Denmark.

Lovely gifts were presented to Mrs. Boose to mark the occasion. The bouquet of red roses from Jack Deans was exquisite and the potted rose plant from the Vulcan Community was appreciated.

During the afternoon several poems were recited and readings given. Mrs. Boose topped the readings by giving a poem she herself composed many years ago. She calls it The Little New Shack on The Prairie. It depicts the life of the settlers 50 and 60 years ago on the prairie. Much of the party was tape recorded by Rev. L. Hale.

A lunch of cake, ice cream and strawberries was served and many old friendships were renewed and stories of old times re-told.

Congratulations from J. Percy Page, Lieutenant-Governor of Alberta, were received.

Mrs. Boose is in relatively good health and says probably her 90 years are partly due to not worrying too much and contenting herself with circumstances.

The Advocate joins in wishing Mrs. Boose many more years of health and happiness.

Seeding Now Almost Finished

Although temperatures last week were somewhat below normal, it was good seeding weather and spring seeding in this area is now practically completed.

Moisture conditions are greatly improved over this time last year but a good, general rain would now be most welcome and would greatly aid grassland as well as creating excellent germination and growing conditions on croplands.

An overhaul job to about 4,000 feet of rip-rapping started Thursday, May 21 on the two reservoirs which hold Vulcan's water supply. The walls of both reservoirs are being relined by Alberta Utilities Ltd. which had the original contract last year on the project. The surface of the upper 20 to 25 feet

of sloping walls of the reservoirs is being cleared of rocks and big boulders and torn polyethylene lining material is being replaced and covered with small rocks set in by hand.

The job on both reservoirs is expected to take about one month with a 10-man crew under fore-

man Opie Bandy. The east reservoir was almost drained and is being done first. Clear, good water from the Little Bow is being pumped into it but will not reach the level at which the men are working before they are finished. The west reservoir is being emptied and will be redone next.

Members from Champion, Picture Butte, Lethbridge, Fort Macleod and Nobleford attended the social evening. All members were reminded of the boat and trailer to be drawn for July 17th and to have all their ticket stubs in by that date.

Dwight Farrell won the senior mile run and in intermediate events Doug Munton won the 100

yard dash with a time of 11.3 seconds and tied the old record of 26.5 seconds in winning the 220 yard dash.

Ward Knight won the intermediate running broad jump event and Bob Letal won the junior high jump.

Swim Pool Opening Delayed; Instruction Classes Start June 29

(By Dale Phillips)

This article was to have set the opening date for the '64 swimming season at Sunday, June 7th. After considerable patch and paint the concrete tank had taken on a fatiguingly waterproof appearance, an appearance which has proven deceiving for the seemingly sound tank floor functions much more like a sieve than a retainer of what was to be a refreshing aqueous coolant. To propose an opening date now would be a matter of pure conjecture. June 10th may pass in the dark as a careless guess.

The swimming program is less defective. Regular instructional periods begin June 29, July 13 and 27, and August 10. Enrollment is now underway at the pool office (north entrance). The final week of August will again serve an opportunity to those who wish to acquire miscellaneous awards similar to those of last season. The '64 program will encompass the following awards: Red Cross; Beginner, Junior, Intermediate, Senior, RLSS—Elementary, Intermediate, Bronze Medallion.

Jr. and Sr. Artificial Respiration Award of Merit. Information is available at the pool.

For those persons who seek a

greater understanding of the anatomical, kinesiological, psychological, physical, physiological, and instructional phases of swimming, 10 or 12 hours of lectures entailing these fundamental theories of aquatic will be delivered if interest can be found to justify such a feature. (Don't let the long words worry you).

A very much needed facelift has been issued the pool in the way of color changes — everything is green; and there are rumors to the effect that a brick block "fence" is in the planning stages for the south side of the pool enclosure (a louder rumor has it that this fence is to prevent life guards from spying on nurses during the day and to keep graveyard shift nurses from swimming at night).

Swimming will most certainly be a greener cleaner pleasure if and when the clean green tank is rendered impermeable to water. The pool staff—Russell Chow is returning as first mate with a few new instructional approaches. Naming of an assistant instructor is to follow. Don Buehler returns with Mrs. Buehler to fill positions of managerial maintenance engineer elite and attendant. Dale Phillips returns as pool supervisor — with nothing.

Outstanding athletes of County Central High School for 1963-64 are pictured above with Phys. Ed. instructor Del Ockey, centre.

Honored at the recent "A" Awards Night with many other students were Marlene Bertschy and Terry Rhodes.

LOMOND

HOME & SCHOOL ASSOCIATION

The May meeting of the Lomond Home and School Association was held May 14, at the Lomond School. During the business session of the meeting, details concerning the graduation banquet and dance were finalized.

Mrs. Boyd gave her report on the Red Deer Home and School Convention. As the Lomond delegate, she spent a very rewarding time there. Her report, rich in humor and detail, was much enjoyed and appreciated by the audience. Mrs. Douglas Andrews spoke on social work, its nature, scope and training required. This was intended to give information on a potential career for students.

A film, The Long Way Back, which discussed the difficult adjustment by recovered mental patients on their release from institutions, revealed their need for sympathy and understanding. A National Film Board production, this was a superior film.

Lunch and informal discussion ended a most enjoyable evening.

BIRTHDAY CLUB

The Birthday Club met at Mrs. Mary Crawford's home on May 14, with a very small membership present. The meeting opened by singing Silver Threads Among the Gold. Five members answered the roll call with a seed exchange. There were two visitors present.

There was some discussion regarding a summer holiday, but nothing definite was planned until more members could be present. A thank-you letter to the club was received from Mrs. Erline Lindstedt. A receipt for the donation to the Retarded Children's fund had been received. The closing song was, My Dreams Are Getting Better All the Time.

Members will please note that the next meeting will be held at Mrs. Maude Chambers home instead of Mrs. Hamm's home as is listed on the programs. This will be the annual meeting and members are reminded to be prepared to guess whom their Sunshine Friend has been.

The raffle was won by Mrs. McAllister. The program convener was not able to be present so no program was held. The honored birthday members, namely, Mrs. Magella and Mrs. Lomas were unable to attend.

The hostess and friends served a delicious lunch to end a pleasant afternoon.

BETHANY L.C.W.

Mrs. Helen Walker was the hostess for the May meeting with 14 members answering the roll call with the name of a mother from the Bible. There was also one visitor present. Mrs. Berg led the devotions with the Bible study taken from Acts 8 and 9 entitled Crossing National Boundaries.

The usual reports were read and

discussed. Correspondence consisted of a report from the convention secretary on the convention held May 2nd which was very interesting to all. The members voted to turn over \$100 as a third share of taxes and expenses on the parsonage for 1964. In discussion of the tea and bazaar for May 29, it was decided to have a bake sale also, and all arrangements were made.

The birthday box was enriched with a few pennies when a little daughter of one of the members proudly dropped in her pennies and the members thanked her by singing Happy Birthday to her.

The meeting was adjourned with the Lord's Prayer repeated in unison, followed by the Table Grace. A very lovely lunch was then served by the hostess and her assistants to end a busy afternoon. The next meeting will be held at the home of Mrs. K. Pederson, June 17.

Elaine Orchard Guest Of Honor

A bridal shower honoring Miss Elaine Orchard was held May 7 in the basement of the Church of Christ sponsored by the ladies of the Candlelight Circle.

Miss Charlene Webb was in charge of the guest book in which 66 friends and relatives registered. Corsages were presented to the bride elect Elaine and Mrs. L. Orchard, mother of the bride and Mrs. C. Rea.

A contest of interest was presented by Mrs. Gordon Gardner. Two beautiful songs were sung by the Misses Rae Uly, Charlene Webb, Donna Haga and Marilyn Greene.

Mrs. Jean Gardner presented the gifts to the bride elect, Elaine. Those assisting Elaine at the head-table with the opening of her many beautiful gifts were Linda Brown, Rae Uly, Mrs. L. Orchard, Mrs. C. Rea and Miss Reta Orchard.

Elaine then most graciously thanked everyone for the lovely gifts and good wishes and invited everyone to visit her and Wayne in their new home in Vulcan.

The ladies of the Candlelight Circle then served a lovely lunch.

A birthday cake decorated the head table as this day was also Elaine's 18th birthday. Happy Birthday was sung by all present and congratulations offered.

DONNA MARONDA

As is known to most of the country east of Vulcan, identification of the two County Queen contestants shown above, in last week's Advocate, was switched. In his nervous stuttering, the aging photographer who took the photos failed to identify the prints. A young man, familiar to the Milo district and only a few

years married, practically guaranteed the Advocate's guess at identification so it seemed like clear sailing. However if the girls' feelings aren't hurt, the resultant publicity can do nothing but good in the cause of the Lake McGregor Race Meet, organizers of the queen contest. It will be held Friday and Saturday, June 12 and 13.

Shower Honors June Bride-elect

A bridal shower in honor of Miss Carolyn Haga was held May 23 in the basement of the Church of Christ sponsored by the ladies of the Candlelight Circle.

The shower was opened with the presentation of corsages to the bride elect Carolyn, Mrs. I. Haga, the bride's mother and to Mrs. Leslie, the mother of the groom. Miss Margaret Davies gave an interesting contest and Miss Fern Schmidt rendered two very lovely solos.

Karen Smith made the presentation of the gifts to the bride while Misses Daphne McFadden and Donna McKay carried in a huge beautiful simulated wedding cake made by Mrs. Elsey Hollister. The cake was laden with many lovely and useful gifts. Those assisting Carolyn in opening her gifts were her mother, Mrs. I. Haga; the groom's mother, Mrs. Leslie; Brenda Haga; and her three bridesmaids-to-be Dawna Haga, Judy Haga and Merla Robertson.

Carolyn then most graciously thanked everyone for the beautiful gifts and invited all to come and see her and Jack in their new home in Leslieville.

There were over 80 friends and relatives present to offer their gifts and best wishes to Carolyn and Jack.

The ladies of the Candlelight Circle served a lovely lunch.

You don't just drag a derailed CPR diesel unit back on the tracks, nor do you lift it on with much ease. When the unit above left the tracks Thursday night, May 21 at the Vulcan siding, five officials and a repair train came up to put it back and clear the line for Friday's traffic. The boom winch of a steam crane is shown above as it lifts the front of the engine out of the railbed into which it plowed.

been teaching at Gleichen, is a former student of this school. Nolan Basher who leaves here the end of this term, has accepted a teaching position in the Yukon. As yet there is no replacement for Mr. Basher.

The ladies bowling team of Blackie have completed another session of competition with the High River ladies. Although the team was not successful in winning any prizes, they very much enjoyed the weekly programs. Mrs. D. McDougall was the lucky winner of the cup and saucer for bowling nearest to the hidden score.

CROP REPORT

Moisture in the Blackie district is about 75% of normal for surface, 65% for sub-soil. Since May 1st, 3.17 inches of rain has fallen.

Seeding should be completed by the end of the week. Wheat sown is about 10% more acreage than in 1962, coarse grains a small percentage less than last year. Acreage sown to all crops has increased by about 20%.

There is no evidence of weed growth yet except for a very little wild oats.

Pasture land is in good condition and cattle have weathered the winter well.

Prospects for a good crop are in general thought as farmers are investing considerably in new equipment.
